fully searchable texts detailing accounts of over 100 000 criminal trials held at london s central criminal court the crimes tried were mostly felonies predominantly theft but also include some of the most serious misdemeanours providing historical insight into the daily lives of those who participated in the proceedings the site now also includes the texts of all but a handful of the ordinary of newgate s

accounts published between 1679 and 1772 these richly detailed narratives of the lives and deaths of convicts executed at tyburn have been linked to the relevant trials

gives detailed accounts of the most important and significant trials held in the country s foremost court of law in the eighteenth and early nineteenth centuries

the essays in this collection explore representations of and responses to sexual violence over the course of the long eighteenth century contributors examine the underlying ideologies that spawned these representations confronting the social political legal and aesthetic conditions of the day

this volume uses four case studies all with strong london connections to analyze homicide law and the pardoning process in eighteenth century england each reveals evidence of how attempts were made to negotiate a path through the justice system to avoid conviction and so avoid a sentence of hanging this approach allows a deep examination of the workings of the justice system using social and cultural history methodologies the cases explore wider areas of social and cultural history in the period such as the role of policing agents attitudes towards sexuality and prostitution press reporting and popular conceptions of honorable behavior they also allow an engagement with what has been identified as the gradual erosion of individual agency within the law and the concomitant rise of the state investigating the nature of the pardoning process shows how important it was to have friends in high places and also uncovers ways in which the legal system was susceptible to accusations of corruption readers will find an illuminating view of eighteenth century london through a legal lens

the rise of mass advertising is the first cultural legal history of mass advertising in britain c 1840 1914 and its legal shaping drawing together the history of capitalism the history of fields of knowledge and the history of modern disenchantment to present a new account of advertising s significance for modernity

positions the english east india company at the center of the early 19th century london economy analyzes the composition of the warehouse workforce and explores laborers work experiences through case histories

georgian london evokes images of elegant mannered buildings but it was also a city where prostitution was rife and houses of ill repute widespread in a sex trade that employed thousands in london s sinful secret dan cruickshank explores this erotic georgian underworld and shows how it affected almost every aspect of life and culture in the city from the smart new streets that sprang up in marylebone to the squalid alleys around charing cross to the coffee houses where prostitutes plied their trade to the work of artists such as william hogarth and joshua reynolds cruickshank uses memoirs newspaper accounts and court records to create a surprisingly bawdy portrait of london at its most mannered and for the first time exposes its secret sinful underside a lively work of social history full of surprises and memorable characters kirkus reviews

motherhood respectability and baby farming in victorian and edwardian london explores a largely obscured marketplace of motherhood that provided ways for women to manage the stigma of

illegitimacy and their respectable identities within victorian and edwardian society it focuses on the extent of women s dirty work when maternal problem management was fundamental to the general maintenance of respectability and by extension to empire and civilisation despite its intrigue history has struggled to understand and represent an uncomfortable but significant artefact of western modernising society baby farming during a period when ideologies of respectability and civilisation arguably mattered most the right kind of parenthood especially motherhood became paramount as the wrong offspring could jeopardise a woman s chances of being respectable a wholesale informal and somewhat clandestine marketplace emerged that catered to various maternal difficulties within this marketplace a pregnancy or newborn child who may have compromised a woman s respectability could be disposed of through different means for a fee from the victorian period to the present the commercialised maternal practices associated with baby farming have become firmly established within collective consciousness as being synonymous with child murder female pathology and infanticide for hire this book provides a revised far more complex and nuanced narrative history which reveals all that was associated with baby farming including all possible outcomes to be entirely natural rational and even necessary products of their time an understandable outcome of the period s civilising offensive motherhood respectability and baby farming in victorian and edwardian london will be of great interest to students and scholars of criminology sociology history and gender studies
